

The CONGREGATION of the
LOVERS of the HOLY CROSS of GỒ VẤP

GIVE GOD A CHANCE

Has your heart ever desired
to serve the poor?

Have you ever considered
God's call for you
to be a religious sister?

Indeed,
Jesus is inviting you
to follow Him
in serving God's people
in the mission field.

We are here to help you
discern your true vocation.

Give God a chance to work in you
and you may hear God's call
to love unconditionally
and to serve wholeheartedly.

The Lovers of the Holy Cross
of Viet Nam was founded by
Bishop Pierre Lambert de la Motte in
1670 to assist the missionaries in the
evangelization of Southeast Asia.

Our Motto is: "Jesus Christ
Crucified is the only object of our
minds and hearts" (Bishop Lambert de
la Motte).

Our purpose is "to
know, love and
offer oneself totally to Jesus
Christ by diligently contemplating,
remembering, and imitating His
sacrificial life on earth," and "continue
His salvific mission through works of
intercession in house prayers and in
daily life" (Constitutions #3 and #4).

We vow to follow the footsteps of
Jesus Christ through a life of
praying, sacrificing, and serving local
Church, especially the poor, the needy,
women, and children in areas of faith,
morality, education, medical health,
culture and social works.
